Siripassorn Jitsiri **Associate**

E siripassorn.j@chunlawbkk.com

Siripassorn Jitsiri is an associate at Chun & Chun Law. Prior to joining us, she worked as an attorney-at-law in the Dispute Resolution and Litigation practice. Her experience includes conducting documents reviews and legal research, preparing and translating legal documents in litigation and pre-litigation process and providing assistance for both international and domestic clients in various civil and criminal disputes, including employment law.

Siripassorn obtained a Bachelor of Law Degree from Chulalongkorn University with a First-Class Degree Honors in 2021. While pursuing her degree, she joined the faculty's Legal Aid Centre which gave her an opportunity to provide legal assistance and counselling services as well as simplify and spread legal knowledge to the public. Afterwards, she received her lawyer and notarial services attorney licenses and qualified as a Barrister at Law, an ordinary member, of Thai Bar Association in 2022.

Practice Highlights:

Family and Inheritance Laws

- Represented foreigner biological father applying to be a legitimation father of the child in Thailand.
- Represented clients in an inheritance case concerning nomination of asset executor.
- Drafted and reviewed the child custody agreement, divorce agreement, the last will and testament.

Employment Laws

- Represented an employee in unfair termination matters with a successful negotiation on compensation.
- Assisted a private organization in defending against a government agency in a claim concerning a wrongful rescission of a contract by compiling facts and preparing the draft of complaint and exhibits.
- Assisted in an employment dispute concerning a breach of the non-competition clause after an employee's resignation by providing legal advice and preparing supporting legal documents.
- Draft and reviewed the termination of employment agreement, settlement agreement.

Civil and Commercial Laws

- Advised clients on shareholder's rights, director and officer duties and liabilities, and required licenses to operate businesses.
- Successfully represented a client during the mediation to secure compensation from a breach of contract case.
- Drafted and reviewed contracts such as shares sale and purchase agreements, lease agreements, to buy and to purchase of land agreement.
- Conducted research regarding the effect of Mergers and Acquisitions in the labor law dimension.
